2. Common Sense -- God has given us more good judgment than we believe.
3. Valued Advice of a Good, Reliable Friend -- An objective viewpoint is often very helpful.
4. Good Reading -- Take time to do research on your own. Challenge your mind to learn.
5. Inner Light -- The result of quiet inner communication with our self -- and our God.
6. A Thoughtful, Loving Group -- Those you can relate to in honesty and caring.
